To seek opportunities in IT or any industry to learn new languages, and tools, enhance my skills, and be more creative, etc. those can be helpful for people.

Experience

JULY 2022 – JANUARY 2023 (6 MONTHS)

Frontend Developer Intern/First Launch, Bengaluru

I honed my skills in building visually appealing and user-friendly web pages. During this time, I gained hands-on experience in:

- **Page Development:** Collaborating on projects to design and implement responsive layouts.
- **Styling:** Utilizing CSS and frameworks to create polished, visually cohesive designs.
- **Content Updates:** Manage and update website content to enhance user engagement.
- **Website Maintenance:** Performing routine checks and updates to ensure optimal performance.
- **Bug Fixing:** Troubleshooting and resolving issues to improve site functionality.

I want to inform you that I have not developed entire WordPress websites yet, but I have developed a few pages, such as:

- Xero Degrees Home page - <https://www.xerodegrees.com>
- First Launch Web development Case studies:
